INDEX

This index includes people, place-names, wars, general topics, and major events mentioned throughout this book. We sincerely regret any errors, omissions, or oversights. Few nicknames have been taken into consideration.

Variant spellings for names have been conflated into single entries for convenience. Thus, the entry "Cox" includes both "Cock" and "Cocks." "Diehm" is listed as "Deem" only.

Women are listed both under their maiden and married names. Their maiden names appear after their first names in square brackets. Listings by maiden name do not indicate married names. For example: Cox, Eve [Wise] is also listed as Wise, Eve, her maiden name. Unknown maiden names are not indexed.

Birth years are indicated in parentheses, preceded by a "b." Many birth years have a question mark indicating that the date is not sure. Abbreviations are limited to these only:

Thank you

for reading our cocky, confident and
slightly askew Cox Characters family history.
This is only part one of a continuing story
of the mystery and intrigue
of our ever expanding Cox families.
I can hardly wait to get to heaven
to meet our ancestors
and learn what I've failed to learn here.

Please remember to:

attend church faithfully,
give blood,
donate organs,
place grave markers,
leave this place a better place,
and ... vote Republican,
because character counts!

Kenny Ray Cox
